CLASS COLORS ----- Blue and silver  
 CLASS FLOWER ----- White rose  
 CLASS MOTTO ----- "Out of the strain of learning,  
 into the success of doing."

As seniors of the class of '63 of Saint Clair Area High School, we recall the first time we entered a class room in this school. We were wondering, perhaps, if we would ever achieve the esteem of the preceding graduates of this, our Alma Mater.

Highlighting our sophomore year were such things as selecting our class officers, colors, and motto, but the big project of the entire year was our very successful magazine campaign.

Our junior year brought us our cherished class rings and the Junior Prom, which left us in ecstasy over a "Roman Holiday".

Now in our senior year we remember all of

the things we accomplished during the time spent at S.C.A.H.S. We are kept busy with work for the Clairian and with preparations for the Senior Hop. Before long commencement will be here and we will leave these familiar surroundings and go out to make a future for ourselves.

We would like to thank our class advisors who helped us accomplish all that we have in the past four years. Without them most of our fondest dreams would not have been fulfilled.

To our advisors, our teachers, and our classmates with whom we have spent our last four years, we extend our deepest gratitude.

| <b>Treasurer</b> .....      | Suzanne Macola  |

We, the class of 1964, were organized under the guidance of Miss Francks and Mr. Gondorchin in our sophomore year. We began immediately to prepare for our senior year by having a magazine campaign which proved very successful. To further increase our treasury, we also sold stationery in the spring of our sophomore year and this was our last project as sophomores.

During our sophomore year we selected our class colors, flower, and motto.

Our junior year proved to be even more demanding than our sophomore year, not only academically, but in extra-curricular activities as well. As juniors, we started off by electing new officers for our junior year and we also received a new class advisor, Mr. Kubeika, who

replaced Mr. Gondorchin who left at the end of last year. So far this year we have had many worthy projects such as another magazine campaign, a dance, and soap sale.

Among the extracurricular activities was our school newspaper, the Courier, of which we are very proud.

We are now planning for our last achievement of our junior year which will mark the beginning of our reign as seniors—the Junior Prom.

This year will pass too quickly for many of us, and we will go into our senior year with the determination needed to fill all our expectations and hopes in our senior year.

We sincerely wish the best of success to all seniors.

The 1962 edition of the Saint Clair Area Joint High School football team produced a record of 4 wins, 4 losses and 1 tie.

Our team received a stunning upset from powerful Mahonoy Area in the first game of the season by the score of 27 to 7. Our only score came in the second period when Holobetz scored from the six-inch line.

The next week the team bounced back and won over Blue Mountain 20 to 7. This win was accomplished mainly through the efforts of Dan Harrison and Joe Semanco.

The Saints again seemed to have met their match against Frackville, when at the half the Frackville squad was leading by a score of 13 to 0. But in the third quarter speedy Mike Holobetz intercepted a pass on their 19-yard line and ran 81 yards for the score. In the fourth quarter the Saints were on the move and again Holobetz ran for the score and the game ended 13 to 13.

On a cold Saturday night a week later our Saints again were beaten, this time by West Hazelton 19 to 6.

The team then encountered the Schuylkill Haven outfit. There was no scoring by either team in the first half and the teams seemed to be evenly matched, but in the third quarter the Saints pulled out all the stops and beat the Havenites 32 to 0.

At Kulpmont, with Holobetz at the controls, the Saints again went on to another impressive win. This time the score was 34 to 0.

Ashland was the next victim for the rampaging Saints as they fell prey 58 to 0.

We dropped the remaining two games, one against Minersville 13 to 0—we were hoping to beat them three years in a row—and the other against Tamaqua, the Conference Champions, 44 to 19.

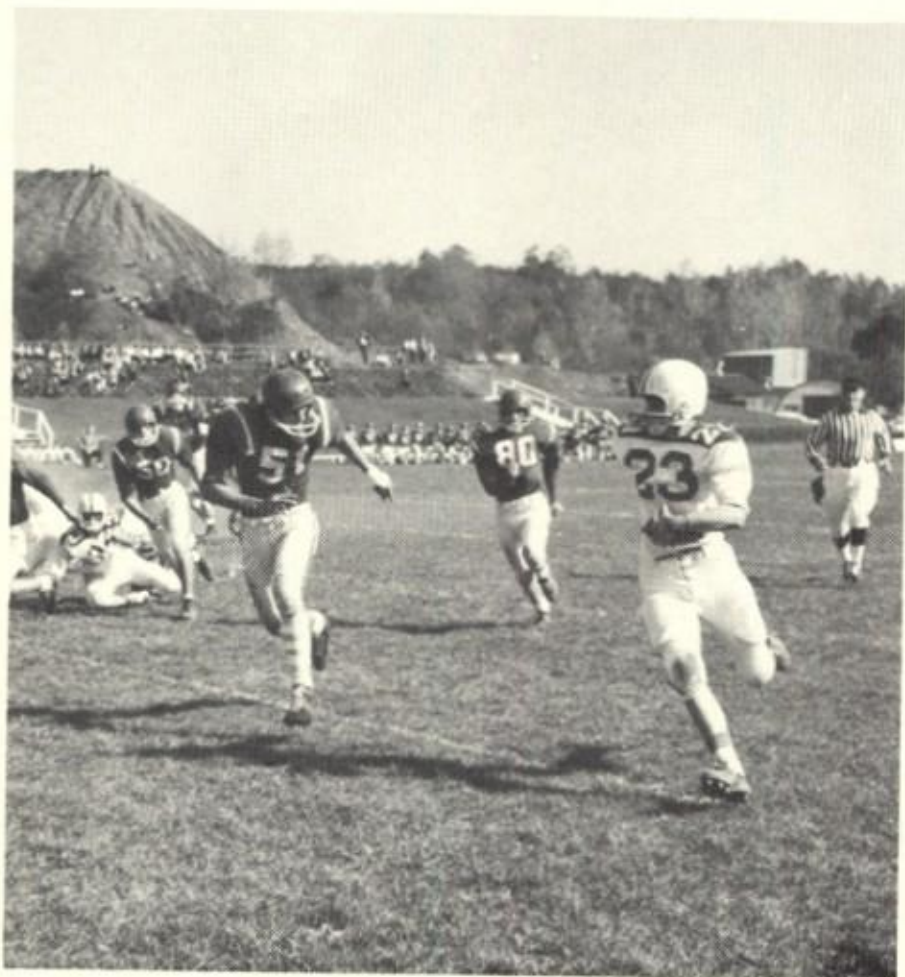

FIRST ROW, Left to Right: Mike Stranko, Dan Harrison, Midge Holobetz. SECOND ROW: John Sanders, Mr. Wolff, Sully Honicker.

The basketball team of 1963 finished high in the North Schuylkill League standings but failed in its bid for the District XI Class B crown.

Saint Clair defeated Frackville by one point for their first league win of the season. This game proved to be a real thriller since we were down by 13 points at the half.

In the next game against Ashland the Saints pulled off a 63-58 victory over a highly rated Ashland five.

The battle for the top spot in the North Schuylkill League between Saint Clair and Mahanoy Area was decided in Mahanoy's favor. The final tally read Saint Clair 38, Mahanoy Area 49.

Shenandoah tried to remove the Saints from second place, but to no avail. The Saints won it 61-57 with Dan Harrison picking up the scoring honors.

At Kulpmont the Wildcats were completely baffled by the Saints full court press and the Saints scored another victory to take second place in the first half of the North Schuylkill League race.

The team started the second half off with another hard fought victory over Frackville. Then

the Saints began to falter and they dropped the next three league games to Ashland, Mahanoy Area, and Mount Carmel.

In Shenandoah it was a different story, the Saints defeated the Blue Devils 85-78. Mike Holobetz paced the Saints' attack with 24 points followed by Honicker with 23.

The last regular game of the season ended on a note of victory. The Saints handed Kulpmont a 63 to 54 setback.

Saint Clair's two victories over Frackville qualified them to enter the Class B playoffs.

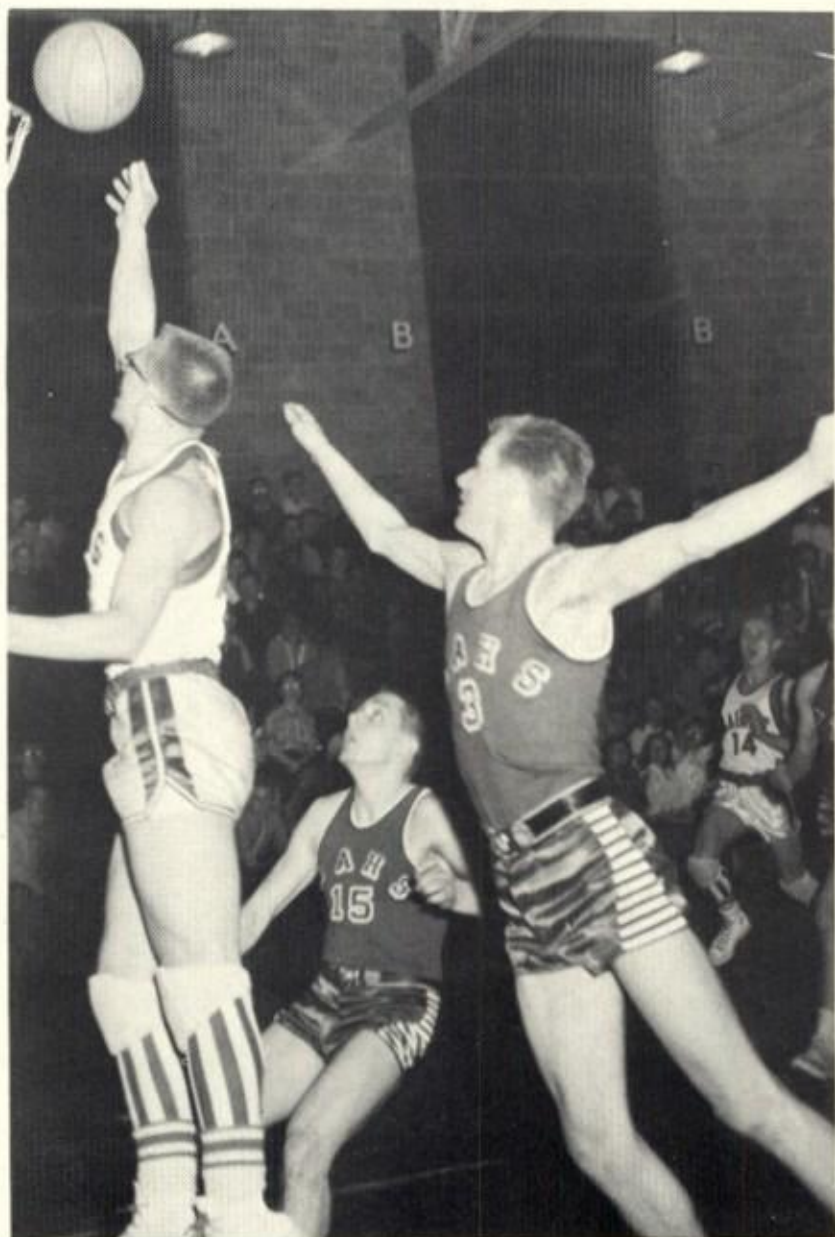

The first game against Nesquehoning proved to be an easy victory. The Saints employed the use of the fast break and the full court press to overcome the Warriors. Harrison was high with 18, followed by Holobetz and Honicker with 17 and 16 respectively.

The following game for the District XI Class B championship at Harrisburg was against Fountain Hill. The Saints gave all they had in this one but it was not sufficient to overcome the fourth period surge of Fountain Hill. The final score read Fountain Hill 67 and the Saints 61.
